

# SAIMIR BRAHJA

Tirana, Albania | +355 69 87 46 120 | SaimirBrahja@Outlook.com | [Saimir-Brahja.neltify.app](#)

Junior Software Developer with a focus on Java, Hibernate, and Spring Boot. My journey in the world of coding began with a keen interest in web development, where I honed my skills in HTML, CSS, and JavaScript. I've also delved into the world of cross-platform mobile development with React Native.

## SKILLS

- |                |             |                       |              |       |
|----------------|-------------|-----------------------|--------------|-------|
| - JAVA         | Python      | HTML, CSS, JavaScript | React-Native | MySQL |
| - Git & GitHub | Trello      | Scrum – Agile         | SCSS         |       |
| - Motivated    | Team player | Disciplined           |              |       |

## LANGUAGES

- |               |            |           |            |
|---------------|------------|-----------|------------|
| - Albanian C1 | English C1 | German A2 | Italian A2 |
|---------------|------------|-----------|------------|

## EXPERIENCE

Apr/24 – Jun/24
